Sister Bay, WI 54234*

## **League Information and FAQ**

### **League Play:**

- Practice night: May 28, 2026
- League Play: June 3, 2026 through August 27, 2026
- Final Play and Banquet: September 3, 2026
- Shotgun Start – Thursday, 4:30pm
- Carts are required (not included in league fee)
- Each member must opt in as a regular weekly player or sub player.

### **League Players:**

- Must commit to 14 rounds (12 league, one beginning of season practice, final night) or secure a sub player (subs pay their own greens and mandatory cart fees)
- If you can't golf, you are required to secure a sub to replace your space.

### **Substitute Players:**

- Subs will pay the \$50 member fee but not the missed week fee.
- Subs pay their own greens fees each week they play
- Failure to show up on a day that you have committed to golf for someone may result in not being allowed to sub on the league until the missed fee is paid.

### **FAQs**

How will we know who we can contact for subs?

- A list will be provided with names and contact information

What if I can't golf and don't get a sub?

- Failure to secure a sub requires payment of greens fee for that night (after one allowed miss) before you can be scheduled to play again if we fall below the required 36 players for that week.

Why do we have to commit and pay?

- The course closes two hours prior to our start time to accommodate a shotgun start so we are committed to paying for a minimum of 36 players every week.

Why was a change made to do Shotgun Start?

- Due to the growth of the league membership it has become difficult to give people reliable start times which has lead to a lot of last minute foursome shifts. A shotgun start also allows members to socialize with everyone if they stay afterwards.
- With the increase to the number of people at the end of play, we are working with Adam at Gatsby's to offer quick menu items – more to come.
